10 reasons to know if you're obsessed with Hamtaro

****This is to make up not updating my other stories in a while. I don't own Hamtaro, except the plushies. :D****

You cry every time you read it being cancelled in the U.S.

9. The only thing you look for in thrift store to buy is anything Hamtaro.

8. You rant about how evil Cartoon network is for cancelling it.

7. Your family finds you scary every time you rant.

6. You look at the stuffed Ham-Hams and point out all the flaws in the manufacturing.

5. You glare at people who ask where you got said toys.

4. You try making your brother's kids get into the Hamtaro DVDs, but sadly they don't understand its awesome cuteness.

3. You yell at anyone who teases you, but you know they're just kidding, saying 'you're a rat' when you were the Hamtaro hat.

2. Your favorite Ham-Ham couple is HamtaroxBijou.

You get mad when every time you ask people if they've seen the show andâ€| THEY HAVE NO STINKIN' CLUE WHAT IT IS! IF YOU'RE AN ANIME BUFF THEN YOU SHOULD KNOW WHAT IT IS!

****Don't think I'm yelling at anyone who reads this, and doesn't know what it is. I just get annoyed because the show uses to be so popular**

when it came to the U.S., and as soon as it got canned it was dropped
off the face of the country. **
